## Petri wins Chamber of Commerce award

*Herald Times Reporter*

The U.S. Chamber of Commerce awarded U.S. Rep. Tom Petri a Spirit of Enterprise Award, according to a release.

The award is given each year to members of Congress based on how they voted on certain issues outlined in the Chamber's yearly "How They Voted" publication. Members whose key votes align with the Chamber's position on at least 70 percent of the issues receive the award.

In 2009, Petri's votes aligned with the Chamber's position on its key votes 80 percent of the time, the release said.
