The U.S. Chamber of Commerce has given U.S. Rep. Tom Petri its Spirit of Enterprise Award in recognition of his votes to reduce taxes and support economic growth and job creation in 2009.

Thomas J. Donahue, president of the U.S. Chamber, presented the award.

"We think Tom Petri is a great friend of business," he said in a news release. "He has voted to support business concerns year after year, and he's a great friend of the Chamber."

Petri said, "We know we have to have an economy that creates jobs and enables us to pay for the goods and services we need. I try to strike a balance which recognizes the importance of the private sector."

The Chamber's Spirit of Enterprise award is given annually to members of Congress based on rankings it gives for key votes outlined in its yearly publication, "How They Voted."

The designated "key votes" are recorded floor votes on issues established as priorities by the Chamber. Senators and House members who agree with the Chamber's position on at least 70 percent of the key votes receive the Spirit of Enterprise award.

For 2009, the Chamber agreed with Petri's key votes 80 percent of the time.
